

Private Home Care, Inc.

Providing Care in a Personalized Way

Mission:

Our purpose is this:

- ◆ To grow a home care business with staff who care about their own, and another's wellbeing.
- ◆ To help people live as comfortably and independently as possible in their home.
- ◆ To maintain solid relationship with client and staff.
- ◆ To realize customer service and satisfaction are key to our success.

*People will forget what you said. People will forget what you did.
But people will never forget how you made them feel.
~Maya Angelou*

Vision:

The vision of Private Home Care, Inc. is a vision of increase:

- ◆ To grow in stages, supplying work for each caregiver and,
- ◆ To grow only as large as reasonable, keeping the quality focus clear, while maintaining the work ethic this company is built on.
- ◆ To always be involved in client care and proper staffing, ensuring both client and staff needs are being met.
